

SPECIALTY CONSTRUCTION SERVICES & PRODUCTS

Premier Consultants International Inc (Premier) has been in operation since November 2000 and has grown from a consulting firm assisting small businesses win, execute and manage federal contracts to providing construction services and products nationally.

Premier successfully provides prime and sub-contractor support to numerous large national construction companies, their joint ventures, and mid-size companies. Those companies are: Clark Construction Group, LLC; Gilbane Building Company; Clark-Balfour Beatty a Joint Venture; Clark-McCarthy Joint Venture; Turner-Gilbane Joint Venture; Turner-Penick Joint Venture; Hensel Phelps Construction Company; rand* construction corporation; Coakley & Williams Construction, Inc.; ISEC, Inc.; Berlin Steel Company; and Delaware Elevator Inc.

Premier is a 1st and 2nd tier subcontractor currently on the following large (our largest \$10M) Federal projects: USAMRICD, Aberdeen Proving Ground, MD (mill work and laboratory equipment); the Replacement Hospital, Camp Pendleton, CA (12 elevators) and The Marine Corps University at Quantico, VA (7 elevators). The company's construction operations centers on the installation of architectural woodwork; installation of laboratory equipment, medical furnishings and equipment; countertops; bathroom fixtures and accessories; miscellaneous metals, and construction, renovation and maintenance of elevators as well as the following products: metals, energy efficient lighting products, Uninterrupted Power Supply (UPS) systems and other data center products.

Miscellaneous Metals for Johns Hopkins Hospital, Baltimore, Maryland; Traction Elevator, Washington, DC; and, Aluminum and Glass Rail for Gaylord National Convention Center, National Harbor, Maryland

Premier has strategic partnerships with Delaware Elevator Inc. (Salisbury, MD); ISEC, Inc. (Denver, CO); Magothy Technology, LLC (Pasadena, MD) The Berlin Steel Construction Company (Kensington, CT) and Diversified Enterprises Group, LLC (Washington, DC). Our strategic partnerships consist of Mentor / Protégé arrangements that afford Premier the opportunity to self-perform a minimum of 25% of the project scope under the supervision of our mentor, and the capacity to bond as much as \$42M. This relationship allows Premier to fulfill federal and regional small business utilization goals without increasing risk to the customer.

Premier's principals have 58 collective years of effective and successful federal program management and construction experience. Through our commitment, we provide an assurance of reliability and dependability with all the services and solutions that we offer to our clients.
