Latest Premier Projects

MLK Memorial Library Renovation Project

Premier Consultants International, Inc. is providing architectural millwork and finished carpentry to the landmark modernization of the Martin Luther King, Jr. Memorial Library in Washington, DC, which will open in the fall of 2020.

This is a LEED SILVER Certified Project.

Adams Morgan Hotel (Line Hotel)

Premier provided construction services in the area of architectural millwork and finished carpentry for the award-winning The Line Hotel in Adams Morgan District of Washington, DC. This 100-year old historic church was renovated and converted into a boutique hotel and opened in 2019.

This is a LEED SILVER Certified Project.

Center for Natural Sciences, Mathematics and Nursing at Bowie State University

Premier installed architectural cabinets, laboratory and nursing equipment, laboratory casework, healthcare casework, and walk-in temperature-controlled rooms. The distinctive new building stands at the heart of Bowie State University's campus.
